

OUR STORY

We are a team of designers and craftsmen that creates heirloom products for professional photographers. In the digital age, we believe the experience of printed photos plays a vital role in family history. Each RedTree product is handmade with close attention to detail using the finest archival materials to ensure a long life.

We are here to keep things simple. RedTree products are designed to meet your needs without overwhelming you. Our customers are family, so we will always take time to make your RedTree experience wonderful.

PHOTO COVER ALBUM

Photo covers give you the freedom to artfully create cover designs that fit the style and individuality of your clients. A laminate film protects the cover from scratches, spills, and the like. These albums are especially popular for families, seniors, and contemporary weddings.

- 10 to 40 spreads (20-80 sides)
- Archival prints in lustre or semi-matte finishes
- Lay-flat binding with tight creases and no gutter
- Production time is 2-4 weeks

CHARCOAL

MINI ALBUM

The perfect add-on for parents. Our minis are scaled down replicas* of standard flushmount albums. We recycle materials leftover from your larger album to save on cost while providing you with an additional album.

- 10 to 40 spreads (20-80 sides)
- Archival prints in lustre or semi-matte finishes
- Lay-flat binding with tight creases and no gutter
- Only available when ordering a standard-sized RedTree Album

Note: some cover materials deboss better than others. For materials that are hard to deboss, we recommend using a cameo instead. Refer to our website for additional details.

C A M E O S

Cameos are a simple and affordable way to personalize an album cover. Selecting the right photo and matching color tones with our fabrics really enhances the album.
